Storage shed doors repair

Description	Total
<u>Storage shed doors repair</u> 1. Replace the 1x4 trim that is behind the right door hinges 2. remove the left side door to shave off a bit from the bottom to get it to close 3. level the doors the best possible so they don't rub against each other 4. caulk the new piece of 1x4 trim and prime it 5. paint the new piece of trim and touch up the doors if needed 6. Our work areas will be cleaned up upon completion	\$267.50

Total \$267.50

Payment to be made as follows: Deposit of 25% at beginning of job, remaining balance due Upon Completion. All material is guaranteed to be as specified. All labor to be completed in a workmanlike manner per standard practices. Any alteration or deviation from the above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents, or delays beyond our control.

Acceptance

I acknowledge that I have read, understand and agree to what is included in the work described above and agree to the price pursuant to the Terms and Contract conditions included in this proposal:
